A word from our Administrator

R. L. Dabney, a great American theologian of the early 19th century once said, “The education of children for God is the MOST IMPORTANT business done on Earth.” Jesus called it “the Father’s Business,” and I want to say that we at NMCS are HONORED to be a part!!! Starting our 24th year with the largest enrollment we have seen in years, we are excited about God’s continued strengthening and support for this ministry. Furthermore, let me say how thankful and humbled we that these many parents would trust us with their most cherished Heavenly gifts...their children!!! We do not take lightly the great and Holy responsibility we have been given, and we commit to each of you that we are striving for excellence. We have invested resources to try and improve our ability to educate these young people in order to, as our mission statement says, “give them the spiritual and academic training needed to become productive citizens and fruitful Christians in the 21st century.” Please pray for us as we serve you and your kids.

Thank you all for allowing me the privilege to serve you and to serve our Lord with you. It is truly my honor to be a part of this great ministry. God bless!!!

Pelican's SNOBALLS

Tuesday August 21st was NMCS spirit night hosted by Pelican's snowballs of Marion. It was a great time of fun and fellowship. For two hours we had a consistent line of people in the drive through and inside. We were able to raise over \$200 for our school! Thank you to everyone who came out and enjoyed a snowball to support your New Manna Wind!
