Principal's Pen

Hello Parents, I hope you are having a fantastic day. This school year is moving along at a rapid pace. We are already in the month of October. It seems as if the school year just started. We just sent out our 5th-week reports last week. Please check those out, sign them, and return them to your child's teacher. If you have any questions please do not hesitate to contact us. October is a busy month with ball games, Camp Meeting, and our church's trunk or treat event. Please be in prayer for our camp meeting, it will be October 5-8.

We would like to be an encouragement and a blessing to those travelling in. Because of Camp Meeting, we will be out of school this Friday, October 6th. We would encourage the teenagers to come to the sessions on Friday, as well as the parents. Trunk or treat will be held on October 31st starting at 6 pm. Please come out and enjoy the evening with us. We will have many cars decorated with abundant candy. We are looking forward to a wonderful October. Thank You for all you do and have a GREAT day.

Aaron Wagner
Principal

NMCS has begun collecting Box Tops for Education. We have a contest between the elementary and the high school students. The winner gets a pizza party. Please send emails to family and friends urging them to collect Box Tops. There will be a chart in the school hallway indicating the totals for each group so we can keep track of the group that is winning. The first turn in will be October 25. We need to get as many Box Tops as we can by that date. We have collection sheets for each class to try and fill. Please help us in this endeavor that will benefit our school.

NATURE CENTER FIELD TRIP

On Friday, September 22 kindergarten through third grade took a field trip to the Western North Carolina nature center in Asheville. The students really enjoyed seeing the animals and learning about them at the stations along the way. They loved climbing on the “spider web” too!
