## Principal's Pen

We have had an exciting start to our 2017-2018 school year. This is New Manna Christian's 23rd year of having a place to teach and train future leaders. We are excited about the opportunity of having your child join us this year.

This school year has been historical already for New Manna, we have enrolled more students this year than we have in many years.

We were able to enjoy the first solar eclipse since 1979! We are so looking forward to other historical events the Lord will bring our way at NMCS.

Thank you for entrusting your child with us and thank you for your sacrifice to send them to New Manna. We look forward to partnering with you to help educate your child. If I or our staff can help in any way please do not hesitate to ask. Thank you and have a GREAT day.

**Aaron Wagner**  
Principal

# engrade

We encourage you to go online to [Engradepro.com](http://Engradepro.com) and monitor your student's progress in the classroom. Each child is assigned a student ID number that you can use to access their grades.

If you are new to this process and have not yet received an ID number for your child, please contact Mr. Roy Rodriguez to obtain this information.

On August 21, 2017, our students had the opportunity to witness the solar eclipse of 2017. Students in every grade (and even the adults too) excitedly donned their solar eclipse glasses to witness this once in a lifetime event. Many classes watched videos and did eclipse activities in preparation for this exciting experience. When it was all finished, everyone walked away with a feeling that they had observed an incredible event.

# TEACHER Spotlight

Hello, my name is Carly Davis. I am so excited to be teaching fifth grade this year! This year will be my fourth year working in education. I began my studies at McDowell Technical Community College before transferring to Gardner Webb University. Before coming to New Manna I was employed at East McDowell Middle School in the Life Skills classroom. My husband and I have been married for 12 years and have three beautiful children. We have both serve the Lord for over 10 years now and full time in the ministry for the past six. I am beyond grateful that God has led me to New Manna where I can continue my work for him. It is my prayer to show each child that comes to my classroom the love of Christ.

My name is Mrs. Janet Boone and I teach the first grade at New Manna Christian School. The most important thing about me is that I am saved! I'm a Christian and I love the Lord. I was born and grew up in Marion. I attended public schools here and graduated from the University of North Carolina-Asheville. I always wanted to be a teacher, thanks to the influence of a Godly elementary teacher that I had. After college, I taught for 30.5 years before retiring in 2011. The Lord opened doors and led me to New Manna Christian School. I began teaching here in the 6th grade in 2012. I taught 1st grade after that for 2.5 years before retiring. I missed the students and teaching very much. Now, I am back as a first grade teacher and very happy that I have this opportunity to serve the Lord and be a witness for Him.

Hi, I am Teresa Krause. I teach high school science and girls health and PE here at New Manna Christian School. I taught here previously for 14 years. I took a few years off, but I'm so happy to be back! I love teenagers and teaching so it's a perfect fit for me.

# UPCOMING EVENTS

## 2017 AUGUST

SUN	MON	TUE	WED	THU	FRI	SAT
